2455 TALON PLAN | FEATURES

Meet our Talon floor plan, boasting more than 2,400 sqft of wonderful space. With 4 bedrooms and 3 bathrooms, the Talon floor plan is perfect for your next dream home!

The dining area is right off of the Great Room and offers an incredible view of the front yard through, large spacious windows.

At the front of the house you have the flexibility to create an office/study that can offer some solidarity for homework or projects that require concentration.

The sizeable master bedroom is a highpoint of the home and the secondary rooms all provide ample areas for being inventive and creating a comfortable bedroom children will love.
